

HIRE THE WOLF DEN SPACE FOR POP UP EVENTS AND WORKSHOPS

Welcome to the Wolf Den, our space created in the stillness of the loft above Wild Wolf's main studio. It has been inspired by memories of a cabin in the Canadian woods where cosy weekends were spent. For best friends, the cabin was their den, their safe space, their retreat. The Wolf Den reproduces that feeling of tranquillity and shared solitude, your own cabin in the wild woods.

The Wolf Den is fully equipped with yoga mats, blankets, bolsters, blocks, bricks, straps and eye pillows. Studio capacity will depend on how you use the space; we know 15 yoga mats can fit with a dynamic class (that is absolute maximum), but 12 – 14 is a good amount of space between the mats. For slow styles like restorative or yin, the space can hold up to 18. The studio is located on the third floor of the building.

Our studio space also includes:

- Kitchen area with tea making facilities
- Small storage area for coats, bags and shoes
- 3 toilets and 2 showers on the first floor
- Bluetooth music system

Outside of the regular class times, we have availability for you to rent our space to host your own pop up classes, workshops or events. This is not exclusive to yoga; if you have something you feel would work well in the space, do get in touch! We are very interested in the quirky, wonderful things the people of Bristol and beyond can offer! However, we also want to make sure what you're proposing suits the studio.

Here are our rental rates, we are a VAT registered company and all of our rates include VAT:

1hr: £28
2hrs: £51
3hrs: £74
4hrs: £97
5hrs: £120
6hrs: £143
7hrs: £166
8hrs +: £189

To promote your workshop on our website and social media platforms, we need from you:

- Promotion Picture
- Title and description
- Price
- Time and date
- How students will pay / your point of contact

As part of the Hire:

- We will help to promote your workshop via our website, Facebook and newsletter. Note, you are responsible for supplying us with all promotional content. However we do hold the right to overview and edit before publishing under our name of Wild Wolf's.

- As well as all of the above we also advertise your workshop on our Workshop Board hanging in the studio. We have such a great number of students coming through our door and this is where most of our students discover all the great workshops happening at our studio!

Not part of the Hire:

- When hiring the space all interest will be funnelled through to you. We do not take bookings/money handle for you – your contact details will be part of your description on our website.

The security is important, not just for our studio but for the whole building. So we use swipe cards to get in and out of the building. So before your hire date, you will need to arrange a meeting at the studio to pick up a swipe card. In this meeting we will take you through a run down of the studio, how to set up and pack down.

We love our gorgeous space, so the pack down is an important part, leaving the studio in the state that you found it before your class or event. Please refer to the photos on the last page of this document.

When you book out the space we require the hire to be paid in full when invoiced. If you decide to cancel, our policy is as follows;

- Up to 1 month or more before, full refund
- 1 month - 2 weeks before 60% refund
- Less than 2 weeks before no refund.

Last but definitely not least:

Commit - please think hard before you book the space! We will expect you to honour your commitment to hold your event or class, if you are renting the space from us. We will help you to promote the event, so whether it's one workshop or a series of classes, we want to make sure clients coming through our door view the studio as professional and committed to hosting events on our timetable or website.

We are looking forward to hosting you at our studio!

Love from, The Wolf Pack.

HIRING ETIQUETTE

Please see the photos for how to leave The Wolf Den at the end of your hire.

Mats neatly placed over tressel legs.

Blocks stacked.

Eye pillows and belts organised in baskets.

Bolsters stood against the wall with the tree logo facing out.
